

REMARKS

The applicant appreciates the Examiner's indication of allowable claims. Currently, claims 53, 55 – 57, 59 – 64, and 87 – 89 are pending. The remaining claims have been cancelled without prejudice. Specifically, the subject matter contained in the canceled claims may be pursued by the applicant in additional patent applications.

In the Specification

Claim 110 has been canceled. As such, the objection to the specification should be withdrawn.

Claim Objections and Claim Rejections under Sections 112, 102 and 103

The Applicant has amended the claims to cancel all of the claims that were subject to a claim objection or rejection under Sections 112, 102 and 103. The applicant has done so in light of the Examiner's indication of allowable subject matter and not as an indication that the subject matter contained in these claims is not patentable. Thus, such cancellation is being made without prejudice to the subject matter contained therein.

CONCLUSION

The applicant respectfully submits that the present application is in condition for allowance and requests that a Notice of Allowance be issued in this case. If further action is necessary that can be resolved by Examiner Amendment, the Examiner is welcome to call the

undersigned in order to expedite issuance. The Commissioner is authorized to charge any fees due pursuant to this amendment to deposit account 50-0881.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Frank W. Compagni", is written over the printed name.
